

Court of Appeals, State of Michigan

ORDER

Nathaniel Ward v Department of Corrections/Director

Docket No. **356990**

LC No. **00-000000**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because the October 9, 2020 decision of a Department of Corrections hearing officer is not directly appealable to this Court. MCR 7.203(A)-(B). To the extent it may apply, MCL 791.255(2) would allow an appeal to the county level circuit court for the county in which appellant resides or the Ingham Circuit Court within the time frame specified in that statutory provision. MCL 791.255(2) does not provide for a direct appeal from the October 9, 2020 decision to the Michigan Court of Appeals.

The motion to waive fees is **GRANTED** for this appeal only.
